Subject: Major Milestone Achieved – HOAC Export Private Limited Commences Global Operations

Dear Sir/Madam,

It is with immense pride and excitement that we announce a landmark achievement in the journey of HOAC Foods India Limited — the official commencement of international export operations through our subsidiary, HOAC Export Private Limited.

In our first major international consignment, HOAC Export has successfully exported **four containers** of premium FMCG products to the United Kingdom, with shipments departing from Mundra Port (Gujarat) and Nhava Sheva Port (Maharashtra). Of these, three containers have been routed to the Port of Felixstowe and one container to the Port of Southampton, marking our strategic entry into one of the world's most competitive and high-potential markets.

- ◆ Total Approximate Export Value: **₹1 crore**

We are proud to share that all four containers were successfully executed within just one and a half months—a testament to our operational excellence and market readiness. Even more encouraging, we already have a strong order book of similar shipments currently under processing, signaling robust demand and a promising growth trajectory in the global market.

This milestone not only represents the beginning of our global trade journey, but also highlights the strength of our "Make in India, Made for the World" vision. It reflects our commitment to delivering trusted Indian quality, packaged with international standards, to households around the globe.

We extend our heartfelt appreciation to our dedicated export division, our compliance and documentation teams, and our logistics and port partners, whose relentless efforts and coordination made this achievement possible.

As we celebrate this significant leap forward, we reaffirm our focus on building a world-class Indian brand with global reach, and we look forward to expanding into many more international markets in the months ahead.

This is not just a shipment — it's a symbol of HOAC's bold step onto the global stage.
